Dear Sir/Madam,

EMERGING CORE STRATEGY FOR DACORUM AND EAST HEMEL HEMPSTEAD AREA ACTION PLAN CONSULTATION (REGULATION 25)

I am writing to let you know that the Council has published two documents for consultation that help plan the future of the area over the next 20+ years.

The Council has produced an 'Emerging Core Strategy' paper and 'East Hemel Hempstead Area Action Plan' that we are seeking your views on. Please find enclosed the relevant documents.

The consultation runs from 30th June to 28th August 2009, which also involves a series of 'drop-in' sessions across the Borough during July. I would draw your attention to the enclosed Explanatory Note that I hope you will find a helpful summary. This sets out a background to the consultation process, the documents involved and how you can respond.

As part of this consultation we are required ask whether there are any additional subjects that you feel should be raised within our Core Strategy or Area Action Plan DPDs, but have not yet been covered in either the previous or current Issues and Options consultation. If there are any such outstanding issues please let us know as part of your consultation response.

If you have any questions regarding the consultation process please contact the Spatial Planning team on 01442 228660 or email spatial.planning@dacorum.gov.uk.
